END OF THE YEAR GIVING

Would you consider helping us out?

Today we embark on our Year-End Campaign. Our goal is to find **30 more sponsors** and to raise **\$20,000 by December 31**, but we can't do it without your help. We continue to work hard to fulfill the vision of this ministry, which is to provide an excellent Christian education, giving each child and their family the opportunity to know Christ. The Pathway to Jesus school provides a healthy, safe environment where students can grow academically, emotionally, socially and above all spiritually.

#1 – Would you consider sponsoring a child at the school? Families who struggle financially are given the opportunity to apply to have their child sponsored to help with the financial burden. The Hands of Grace sponsorship program enables children to attend the school, by providing half and full scholarships for children who can't pay the monthly tuition.

The cost to sponsor a child is \$35 a month. Your monthly donation helps your child receive an excellent, solid Christian education in a healthy environment where Christ is the center of everything. Your monthly donation also helps pay that child's teacher and provide some school supplies to be used in the classroom.

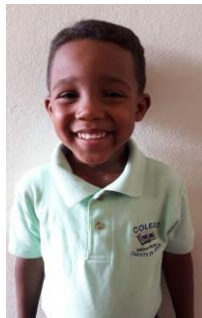

Sponsoring a child is a great journey and it is a wonderful way to help in the furthering of God's Kingdom in another part of the world.

#2 – Would you consider making an end-of-the year donation? The majority of the students that attend the school come from lower income families. The school depends on donations to keep its tuition affordable to the impoverished community it serves. The school's general operating budget is covered by tuition, the sponsorship program (Hands of Grace) and donations.

All gifts given will be used for immediate needs of the school including general operating expenses.

Your commitment to Christian education and Pathway to Jesus is very much appreciated.

Thank you to everyone who supports Pathway to Jesus in any way – whether through your prayers and/or your financial support.
